

JOIN IEEE POWER & ENERGY SOCIETY AS AN AFFILIATE MEMBER!

Affiliate members are IEEE Power & Energy (PES) members who are not also IEEE members. They receive IEEE PES membership benefits but do not receive IEEE member benefits.

Individuals who do not belong to IEEE can join one or more Societies by paying an Affiliate fee of \$78 for each Society joined. Society Affiliates pay the same amount for Society dues as IEEE Members. The total cost for Affiliate membership is \$78 plus the chosen society membership cost(s). Society memberships, including PES, must include an IEEE or Affiliate membership. Society Affiliates are also entitled to Society Member pricing for subscriptions.
